Gary Smith with RFG is discussing the GO Bond renewal with the commissioner and the council. Gary has been working with Matt Trimnell at Reedy. One of the things he had mentioned was the expiring debt obligation rate, and the general obligation rate for the county. So, there's an opportunity to fund capital whenever we have an existing tax rate that we currently have on the tax rolls that is funding a general obligation debt and it is expiring at the end of this year.

The council and commissioners discussed what items that they would purchase with the GO bond. Gene said that he thinks it's awful to spend \$300,000 to get \$1.5 million.
